AS 63 2T ES HIGH GRASS/BRUSH CUTTER

TOP

NEW EASY-START FUNCTION

The digital ignition combined with additional modifications enable a completely new and convenient way to start the strong 2-stroke engine.

ENGINE SUITABLE FOR WORKING ON SLOPES

Unique worldwide, the AS 2-stroke engine ensures safe operation even on extreme steep slopes.

BRAND NEW HOUSING SHAPE

The newly designed, conical tapered housing ensures optimal supply of cuttings to the cross-blades. This provides outstanding mowing and mulching result.

PERMANENT TRACTION

Due to the locked rear axle in drive mode optimal propulsion and directional stability are provided even for steep uphill travel and when driving transverse to the slope.

NEW DRIVE DEVELOPMENT

To offer you optimal safety, the AS 63 has an automatic speed restriction for downhill travel, variable speed and a parking brake that engages when traction drive is released.

Recommended retail price inc. VAT.
